

PRESS RELEASE

February 2022

Euromoney names Bank of Cyprus, Best Private Banking & Wealth Management Bank

For the sixth year, Bank of Cyprus has been named “**Best Private Banking & Wealth Management Bank**” in Cyprus for 2022, after electronic voting of its customers using the online survey organised by the accredited magazine Euromoney.

The award confirms Bank of Cyprus' professionalism, reliability and commitment to customers for the high-quality services in Private Banking and Wealth Management, as well as the Bank's effective strategy in the provision of personalized and integrated investment services in the field of Wealth Management.

The award gets even greater importance, because the customers themselves voted electronically for the best Banks, assessing the quality of banking, investment and wealth management services.

The selection of the best Banks is done after an independent analysis of financial organisations in relation to the quality of service offered to private and institutional customers, as well as in relation to specialised knowledge and experience in the field of Private Banking.

"This Award reflects the successful strategy of Private Banking & Wealth Management"

Emilios Tannousis, Manager, Wealth Management at Bank of Cyprus, said of the latest accolade: "For our Bank, this award amounts to an international recognition that carries a great deal of weight, rewarding our efforts and encouraging us to strive for even better results in an environment of strict regulatory requirements within the field of Wealth Management. It also reflects the successful strategy of Private Banking & Wealth Management in offering high-quality products and services to our clients and their families. Our Private Banking team will continue to offer a full range of investment solutions personalized service and

management of our customers' wealth. We work hand-in hand, building relationships of trust with our clients, so as to be present in their every next move".

Best Private Bank in Cyprus
for the 6th time.
