Notes

This is a plot of land that has an irregular shape, with a large area of land, with uneven topography and terrain morphology, well above road level. The field has a continuous position on a registered road made of recycled asphalt, with a total frontage of approximately 65 meters. It consists mainly of a rocky surface with wild vegetation, while it is located on a hill, with a sloping surface from east to west, with a certain view of the sea in the distance as well as the surrounding area. There is electricity and water nearby as it is adjacent to residences.

It is located in the Municipality of Paralimni, Famagusta District, in the location "Mourati", about 690 meters southwest of the church of Saint Saranda and about 575 meters west of the chapel of Timios Prodromos.
