## Notes

Property (1) concerns a field, has a triangular, oblong shape and a sloping surface towards the south. It abuts a public road to the south on a face of about 45 meters.

Property (3) concerns a field, has a regular shape and a sloping surface mainly towards the south. It is enclosed and served by a dirt road.

Properties (5) and (6) are contiguous fields. They are both irregularly shaped and sloping surface mainly to the south and east.

Property (4) concerns a field and is only 50 meters away from properties (3) and (4). It has an irregular shape and a sloping surface mainly to the north. All three are enclosed.

Properties (7) and (8) are continuous fields and are located in a residential area. They have an irregular shape and a flat surface. They are located in a dead end and are served by a registered asphalt road.

Property (7) is adjacent to the south with the village cemetery on a frontage of about 25 meters.

Property (2) concerns a place within which there are 2 semi-detached houses. These buildings are over 90 years old and are in an abandoned state, therefore they are considered economically and structurally obsolete and are taken into account, which is why the property is valued as vacant land for redevelopment. As vacant land, it has a regular shape and a slightly sloping surface mainly to the south. It is adjacent to the south of the public road of the village on a face of about 40 meters.

The properties are located within the administrative area of the village of Pelendri, in Limassol.

The property (1) is located at the location "Eglisi", about 2,5 km northwest of the densely populated area of the village and on the main Amiantos - Pelendri road.

The property (8) is situated at the location "Kountouries", approximately 3 km northwest of the densely populated area of the village and 780 meters northeast of the densely populated area of the village of Amiantos.

The properties (2), (4) and (5) are located in the areas of "Kourkoutas", "Koutsoulos" and "Katamata", approximately 2 km southwest of the densely populated area of the village and approximately 700 meters east of the main road Trimiklini-Pelendri.

The properties (3) and (7) are contiguous and located in the areas of "Stavros" and "Ammos" of the administrative area of the village of Pelendri, on the southern curbs of the densely populated area of the village and north of the cemetery of the community and south of the church of the Holy Cross.

The property (6) is within the densely populated area of the village, located 200 meters southwest of the church of Archangelou Michael and 170 meters west of the Cultural center of the village.
