## Notes

This is an irregularly shaped field with a smooth flat surface above the road level. Access to it is achieved via a right of way. Within the field there is a single-storey house of conventional construction under construction which has suffered significant damage from a fire. Furthermore, the construction works of the house have been stopped.

It is located within the administrative boundaries of the Psathi community in the Paphos District. It is located approximately 300 meters east of the central core of the community and approximately 1,600 meters southwest of the densely populated area of the Agios Dimitrianos community.
