Plot 0/13653

BANK OF CYPRUS PUBLIC COMPANY LTD (BOC) has made every reasonable effort to confirm and/or verify the information in this document. It is noted, however, that (a) this information was obtained from public records and/or third parties without the possibility of confirming their accuracy; and (b) BOC neither has possession nor is the owner of the property for sale, therefore the details in this document are provided solely for information purposes, without assuming any responsibility and/or duty and/or obligation by BOC to any person who may become aware of them. BOC strongly urges and/or strongly suggests that, with the help of specialized consultants of their choice, any Interested Buyers, conducts their own investigations and/or on-site examination of the property for sale to verify and/or obtain personal knowledge of all information and data that may affect the decision to participate in the upcoming auction of the property for sale

Plots 0/12520 & 0/12522

The properties are two contiguous agricultural parcels in the location known as "Alonakia" within the administrative boundaries of the community of Tsada in the Paphos district. They are located at a distance of about 1 km. northeast of the center of the densely populated area of the community of Tsada, and abutting the main road Paphos – Poleos Chrysochous.

Plot 0/13653

The property in question is an agricultural plot of land in the location known as "Axigouros" within the administrative boundaries of the community of Akoursou in the district of Paphos. It is located at a distance of about 980m. northwest of the densely populated area of the community of Akoursos and about 480m. northwest of the main road connecting the Coral Bay area with the community of Akoursos.

Plot 0/12520

It is a field which, has an irregular shape, has a mainly sloping surface (it is formed on terraces), and offers a nice view of the surrounding area.

The access to this block is from the main road Paphos - Polis Chrysochous which abuts the southern boundary of the block with a frontage of about 70m. (which is located about 5m to 6m below the surface of the plot). The field is relatively close to the various necessary services and there is wild vegetation on it.

Plot 0/12522

It is a field that has an irregular shape, has mainly a sloping surface (it is terraced), and offers a nice view of the the surrounding area.

The access to this block is from the main road Paphos - Polis Chrysochous which is adjacent to the southern boundary of the block with a frontage of about 50m. (which is located about 3m to 4m below the surface of the plot). The field is located relatively close to the various necessary services, in it there is wild vegetation.

Plot 0/13653

It is a field that has an irregular shape, a sloping surface, and offers Unobstructed views of the surrounding area and the sea. Access to the plot is by a public path (which is paved with concrete) which abuts the southern and northeastern boundary of the plot with a total frontage of approximately 280m. The field is located away from the various necessary services and there is wild vegetation in it.

Plots 0/12520 & 0/12522
