

Free Fast Track priority service

- The Coupon Number is the discount code that can be used for 1 free Fast Track priority service, a special lane at the airport security checkpoint which provides the passenger with fast access to the departure exit.
- The Fast Track priority service is only available at the Athens (ATH), Heraklion (HER) and Larnaca (LCA) airports.
- The discount code is valid for 12 months from the date of activation of the Aegean Business Mastercard.
- The discount code is valid for bookings that involve only domestic flights or international flights operated exclusively by the AEGEAN and Olympic Air network.
- The discount code is valid for bookings made exclusively on aegeanair.com, olympicair.com, and the AEGEAN app.
- The use of the offer for 1 free Fast Track service shall be made exclusively by using the discount code, provided that the member types the discount code into the special "Discount Code" field displayed on the booking form and the Miles+Bonus account number of the Aegean Business Mastercard holder has been filled in.
- The additional Fast Track priority service must be selected during the booking in order for the discount to be applied.
- It is not possible to use the discount code during booking from the Low Fare Calendar or when redeeming miles to purchase a redemption ticket.
- The discount code is only valid when the transaction is in Euros (€).
- The use of the discount code is only valid for the Aegean Business Mastercard cardholder and shall not be used by another Miles+Bonus member.
- Only one discount code can be used on each booking.
- The discount code can only be used once.
- The discount code shall not be exchanged for money.
- The value of the discount code is €5.50 and corresponds to the value of 1 free Fast Track service at each of the aforementioned airports.
- If the value of the discount code is greater than the value of the additional service selected, then the discount applied is equal to the value of the selected service.
- If the value of the discount code is less than the value of the additional service selected, then the discount shall be the total value of the discount code and the member shall have to pay the additional charges incurred.
