Everything you need to know about the tagpay

- Contactless VISA sticker card
- PIN not required for transactions up to €20 in Cyprus, for transactions abroad the amount may vary
- Issuance fee €5 without an annual membership fee
- Can be connected to any Visa credit, debit or prepaid card
- Participation in the antamivi Reward Scheme

1. Carefully snap the tagpay out of the plastic card.

2. Peel off the protecting backing.

3. Place the tagpay on the lower back of your phone or cover or wherever is more convenient.

4. Look for the VISA Contactless symbol.

5. Hold your tagpay over the POS terminal display.

6. Wait for the green light to confirm payment.
