

1. General

By choosing to add/aggregate a 'Non-BOC' account you agree that Bank of Cyprus Public Company Limited (the 'Bank'), acting as an Account Information Service Provider, will have a read-only access to your data (account balances, account details, transaction history, transaction status) in order to provide aggregated information and enable you to have an overall view of the financial accounts that you choose to connect. The Bank may update this information up to a certain limit of times and save it in its systems, without this being actively asked by you, as permitted by the relevant law/regulation/guidance and regulatory technical standards, as may be amended from time to time, and make this information available to you in case the other bank's system is not available or you choose not to reconnect to the other bank website/app when the consent's expiry date has been reached. The Bank may also gain access to third parties' personal data (i.e. beneficiaries or joint account-holders) and we understand that you obtained their consent before enabling the service. We strongly recommend to review the Privacy Statement of the Bank before giving your consent. The consent that you are giving will have an expiration date. The maximum period depends on the other bank and it varies. You may choose a smaller period if you wish, provided that the other party allows it. The aggregation process will be completed through the platform of the bank servicing your account. You may unsubscribe from this service at any time by deleting the subscription from either the 1bank Web Banking or the Bank of Cyprus Mobile Banking App.

You are now leaving the Bank website/app and being directed to the selected bank's website/app to complete the authorization process and choose the account(s) to be connected. The credentials you are about to use, should be the ones given to you by the account servicing bank/the selected bank. The Bank has no control over the selected bank's website/app and neither the Bank, nor its subsidiaries or affiliates, is/are responsible for the content of the other bank's website/app accessible from this page, nor do they guarantee or endorse the procedures of the other bank or the information, recommendations, products or services offered on the other bank's website. Once the authorization process is complete, you will be redirected to the Bank's website/app.

The other bank's website may have different Privacy and Security policies than the Bank. We strongly recommend to you to review the Disclaimer, the Security Guidelines, the Privacy Policy and Security of the other bank's website before you complete the authorization process and before you provide any personal, confidential or any other type of information.

2. Transaction History Disclaimer

Transaction History contains your personal information as received from the account servicing bank with your consent. It may also contain personal information of third parties (i.e. beneficiaries or joint account-holders) and we understand that you have obtained their consent as to this before enabling the process. We note that the Bank, as an account information service provider receives such data only for the purpose of offering account information services. The Bank may update this information up to a certain limit of times and save it in its systems, without this being actively asked by you, as permitted by the relevant law/regulation/guidance and regulatory technical standards, as may be amended from time to time, and make this information available to you in case the other bank's system is not available or you choose not to reconnect to the other bank website/app when the consent's expiry date has been reached. The Bank has a read-only access to the data and such data appears as provided by the account servicing bank. The Bank makes no representations or warranties of any kind, express or implied, as to the completeness, accuracy and correctness of the information included in the Transaction History and the Bank and/or its subsidiaries and/or its affiliates assume no liability for any loss or damage including, without limitation, indirect loss or damage or any loss or damage whatsoever arising from the fact that the Transaction History was not up to date on a particular point in time and/or was incomplete and/or incorrect. Moreover, in no event will the Bank and/or its subsidiaries and/or its affiliates be liable or for any loss or damage including, without limitation, indirect loss or damage or any loss or damage whatsoever arising from unauthorised or wrongly executed transactions that were initiated or instructed or executed through a third bank.

3. Account Details Disclaimer

Account Details contain your personal information as received from the account servicing bank with your consent. It may also contain personal information of third parties (i.e. joint account-holders) and we understand that you have obtained their consent as to this before enabling the process. We note that the Bank, as an account information service provider receives such data only for the purpose of offering account information services. The Bank may update this information up to a certain limit of times and save it in its systems, without this being actively asked by you, as permitted by the relevant law/regulation/guidance and regulatory technical standards, as may be amended from time to time, and make this information available to you in case the other bank's system is not available or you choose not to reconnect to the other bank website/app when the consent's expiry date has been reached. The Bank has a read-only access to the data and such data appears as provided by the account servicing bank. The Bank makes no representations or warranties of any kind, express or implied, as to the completeness, accuracy and correctness of the information included in the Account Details and the Bank and/or its subsidiaries and/or its affiliates assume no liability for any loss or damage including, without limitation, indirect loss or damage or any loss or damage whatsoever arising from the fact that the Account Details were not up to date on a particular point in time and/or were incomplete and/or incorrect.
