The BOCH Shares will be issued in reliance on the exemption from the registration requirements of the U.S. Securities Act provided by Section 3(a)(10) of the U.S. Securities Act. To qualify for the exemption from the registration requirements of the U.S. Securities Act, the Bank advised the Cyprus Court that BOCH will rely on an exemption under Section 3(a)(10) of the Securities Act based on the Cyprus Court's sanctioning of the Scheme, which will be relied upon by BOCH as an approval of the Scheme following the hearing upon the fairness of the Scheme terms and conditions at which hearing all such BOC Shareholders were entitled to attend in person or through counsel to support or oppose the sanctioning of the Scheme. U.S. persons should note that the Scheme relates to the shares of an Irish company which is not registered under the U.S. Exchange Act of 1934 (the "**U.S. Exchange Act**") and is being implemented under Cypriot company law. Neither the tender offer rules nor the proxy solicitation rules under the U.S. Exchange Act apply to the Scheme. The Scheme is subject to the disclosure requirements and practices applicable in the Cyprus, which differ from the disclosure requirements of the U.S. proxy solicitation rules and tender offer rules.

Neither the U.S. Securities and Exchange Commission (the "**SEC**") nor any U.S. state securities commission has reviewed or approved this Supplementary Prospectus or the Original Prospectus nor have such authorities passed upon or determined the fairness or merits of the BOCH Shares or upon the adequacy or accuracy of the information contained in this announcement. Any representation to the contrary is a criminal offence in the United States.

Such forward-looking statements are based on the BOC Group's beliefs, assumptions and expectations regarding future events and trends that affect the BOC Group's future performance, taking into account all information currently available to the BOC Group, and are not guarantees of future performance.

An Extraordinary General Meeting ("EGM") of BOC Shareholders was held at the Bank's headquarters on 13 December 2016. The EGM was attended by 520 shareholders, either in person or by proxy, who represented 4,752,773,836 shares, that is 53.3% of the total issued share capital of the Bank.

The EGM approved the scheme of arrangement dated 21 November 2016 between the Bank, BOCH and the BOC Shareholders and authorised the Bank Board of Directors to take all such actions as they consider necessary or appropriate for carrying the Scheme into effect.

The EGM for the purposes of giving effect to the Scheme also approved a special resolution for:

- (i) the reduction in the issued share capital of the Bank from €892,294,453.30 divided into 8,922,944,533 ordinary shares of a nominal value of €0.10 each to nil by cancelling all the shares comprising the issued share capital of the Bank (the "**Existing Shares**") held at the Scheme Record Time (as defined in the Scheme) resulting in the creation of a capital reduction reserve in the accounts of the Bank, equal to the aggregate nominal value of the Existing Shares so cancelled, and which shall be retained as a non-distributable capital reserve in accordance with the provisions of subsection (e) of section 64 of the Companies Law, Cap. 113 (the "**Reduction of Capital**");
- (ii) forthwith and contingent upon the Reduction of Capital taking effect, the increase in the authorised share capital of the Bank to €4,767,759,272.00 divided into 47,677,592,720 ordinary shares with a nominal value of €0.10 each through the creation of 8,922,944,533 new but unissued ordinary shares with a nominal value of €0.10 each, each of which shall have the same rights and shall rank *pari passu* with the existing ordinary shares of the Bank;
- (iii) forthwith and contingent upon the Reduction of Capital taking effect, and notwithstanding anything to the contrary in the articles of association of the Bank, the application of the reserve arising in the books of account of the Bank as a result of the cancellation of the Existing Shares in paying up in full at par 8,922,944,533 new ordinary shares with a nominal value of €0.10 each in the capital of the Bank, which shall be issued and allotted, credited as fully paid, to BOCH or its nominee(s) in accordance with the Scheme; and
- (iv) the authorisation of the directors of the Bank to give effect to the special resolution and, accordingly, to effect the allotment of the new ordinary shares in the capital of the Bank, provided that: (a) the maximum aggregate nominal amount of the shares which may be allotted under this authority shall be the nominal value of the new shares created pursuant to paragraph (iii) above; and (b) this authority shall be in addition and without prejudice to any other authority under (or deemed to be given) under section 60B of the Cyprus Companies Law, previously granted and in force on the date on which this resolution is passed.

Sanctioning of the Scheme by the Cyprus Court

On 21 December 2016, the District Court of Nicosia sanctioned the Scheme and issued the related court order which sanctioned the Scheme and confirmed the Reduction of Capital.

Timetable

Further to the above developments, the Bank's Existing Shares were suspended from trading on the CSE and ATHEX with effect from and including 10 January 2017.

Subject to obtaining the necessary regulatory approvals, and based on the expected timetable of principal events contained in the Shareholders' Circular, the Scheme is expected to become effective on 18 January 2017 and the trading in New Shares on the CSE and the LSE is expected to commence on 19 January 2017.

BOCH expects to announce the final number of BOCH Shares that will be issued and listed upon Admission, prior to the date of Admission.

Amendment to BOCH Articles

At a meeting of BOCH Shareholders on 13 December 2016, the BOCH Shareholders resolved to amend the BOCH Articles by the insertion of a new article and the BOCH Articles have been so amended, prohibiting BOCH from disposing of all, or substantially all, its beneficial interests in the Bank, without the approval by ordinary resolution, of BOCH.
